POLICE ACADEMY ACTIVITY REPORT 1958
Bureau of Personnel

The Police Academy is maintained to provide "recruits", "in-service" and other specialized training for police personnel. The basic "recruit" course extends for fourteen weeks and combines class instruction with actual field service training. The "recruit" course covers all phases of law enforcement duty with particular emphasis upon the philosophy of police service and the ethical concepts essential to the police profession. The instruction is furnished by qualified members of the department and special lectures and demonstrations presented by outside experts in specialty fields.

Advanced in-service classes are conducted for all ranks to bring new techniques and developments to the attention of the working police officer.

During 1958 the Police Academy provided:

- a. Recruit training (25 weeks total) for 108 new officers.
- b. In-services training for 287 members.
- c. Basic training for Auxiliary Police members. A total of 58 citizens were given an average of 80 hours police instruction essential to public protection in event of a disaster.
- d. During the year six members of neighboring law enforcement agencies attended the recruit classes in order to receive basic training.

The Police Academy has also co-operated with the San Francisco Civil Service Commission by providing facilities for the conduct of physical entrance examinations for city positions. In all 278 persons were subject to examination at the Academy.

The Academy Staff participated in the personal history and character investigations of police candidates to assure adequate screening of new officer material. One hundred eight of the one hundred twenty-eight candidates were accepted.

The Police Probst Rating System has been in effect for several years. All ratings are scored by the Academy Staff and reports prepared in relation thereto as an aid in personnel administration.

The Police Academy Staff also participate in certain enforcement work by providing a vehicle inspection service for motorists who are cited for violation of vehicle regulations pertaining to automotive equipment. During 1958 over nine hundred inspections were made at the Academy.

Members of the Staff have also served as speakers for various public groups who request police participation in open meetings so that the public might be informed of police problems and encouraged to cooperate with the police service and support proper enforcement programs.

SCHOOL SAFETY PATROL ACTIVITIES FOR 1958

The School Safety Patrol Detail, a unit of the Traffic Bureau under the Director of Traffic, is composed of an Inspector in Charge, a Sergeant of Police and two (2) Patrolmen.

The Detail acts in a liaison capacity with school superintendents and administrators, P.T.A. Groups and Mothers' Clubs, with respect to the traffic safety of school children.

This Detail is a full-time assignment and its main duty is the organizing, training and supervision of student Safety Patrols in the San Francisco Schools, public, parochial and private. Safety Patrols are established in all elementary schools with a fifth grade or higher and the junior high schools. The patrol units operate under the prescribed rules and regulations as established in the California State Educational Code.

The patrol units were organized and trained twice during the year, at the beginning of both the Spring and Fall terms, and a regularly scheduled monthly meeting of thirty minutes each, for in-service training, was given to each individual unit by a member of the Detail. In supervising, individual patrol units were visited while on the job by a member of the Detail at least once a week.

Assembled student body meetings of junior high schools and the upper grades of elementary schools were addressed on traffic safety. Individual classes of all primary grades were visited once each semester and talks were given on general safety practices as well as traffic safety.

In addition to the regular school sessions, 10 summer schools were operated. Patrol units were established in all summer session schools. Student assemblies and primary classes were visited and addressed on traffic safety as well as vacation period safety practices. During the summer vacation, there were 37 school yards open for playground purposes, and members of the Detail made continual visits to all school yards for the prevention of possible vandalism.

A continual survey of school vicinities for traffic hazards was made and traffic controls recommended to the proper agency when and where deemed necessary. Also, prescribed safest routes to school were suggested and given to the students of the school.

Members of this Detail made two surveys of school crosswalks and repainting as required was recommended to the Board of Public Works. The establishment of new and additional crosswalks where needed were recommended to the Board of Police Commissioners.

An appropriation of \$22,477.40 was allowed in the Department of Public Works budget to provide for the painting of school crosswalks and "Slow School Xing" pavement signs in the vicinity of schools.

Meetings of the Parent-Teacher Groups and Mothers' Clubs were attended and the purpose and duties of student patrol members were explained. Safety films were also shown at these meetings when requested. These groups are active co-sponsors of the School Safety Patrols and supply the cost of uniform caps, white belts and rain clothes for the patrol units of their respective schools.

The Annual Review of patrol units was held in Kezar Stadium on Wednesday, May 28, 1958. The units were reviewed by Acting Mayor, Harold Dobbs, the Board of Police Commissioners, the Chief of Police, the Superintendent of Public Schools, the Superintendent of the Archdiocesan Schools, and many other civic leaders, before an estimated crowd of between 8,000 and 10,000 people.

The Chief of Police presented Efficiency Awards to the patrol units after the Review. The awards were based on the performance of the units observed by the members of this Detail during the school year.

The patrols are co-sponsored by the Board of Education, the Police Department, the California State Automobile Association, the Second District Congress of Parents and Teachers, the San Francisco Archdiocesan Parochial School Department, and the Catholic Parent-Teacher Groups.

The following data shows the scope of School Safety Patrol activities:
